Connecticut								
AmeriChoice of Connecticut, Inc.								
We deliver numerous services to the State of Connecticut on a state-wide basis. Charter Oak Health Plan (COHP): COHP brings affordable group health insurance rates to uninsured individuals and many adults who are 19 to 64 years old, of all incomes, who would otherwise experience financial hardship due to unaffordable, non-group premiums. HUSKY A Program: A full health insurance package for children and teenagers up to age 19, regardless of family income. HUSKY A pays for doctor visits, prescriptions, vision, dental care, and other medically necessary covered services. HUSKY A provides health coverage for parents, relative caregivers, and pregnant women, depending on income. HUSKY B Program: A full health insurance package under CHIPRA for children and teenagers up to age19, regardless of family income. HUSKY B pays for doctor visits, prescriptions, vision, dental care, and other medically necessary covered services. Hawaii UnitedHealthcare Insurance Company This Medicaid plan is for the aged, blind and disabled and includes older adults, children and adults with disabilities, medically fragile children, and those in a nursing facility or alternative long term care setting. They offer services to help members with daily life, such as adult day care, personal help, assisted living, meals and supplies. The programs are provided at no cost to its members; there are no costs to enroll and there are no copayments. Working with a local service coordinator (care manager), we create care plans to fit members' specific needs, and we help members meet their health-related goals by navigating the complex health care system and collaborating with doctors and family members. <p>UnitedHealthcare Community Plan</p> <p>This is a Medicaid program for people with disabilities, managed through Texas Health and Human Services Commission. The program is for eligible people 18 and over, SSI (Supplemental Security Income) and SSI-related seniors, and those with disabilities or specific long term illnesses covered under Medicaid. Care services are provided to assist with day-to-day activities, to promote independent living, and to encourage appropriate medical checks. Under STAR+PLUS, we provide acute and primary care, behavioral health, HCBS, and limited nursing facility coverage to ABD enrollees of all ages since 1997. The STAR+PLUS plan serves over 57,000 enrollees in Houston (and contiguous counties), Corpus Christi, and Austin. Serving half of total STAR+PLUS enrollment, we contributed to the program’s success reducing inpatient admissions by 22 percent and ER use by 38 percent. Through the STAR+PLUS program, we have helped save the State of Texas approximately \$123 million.</p>	<p>Origination: 1997 Most Recent Duration: 11.1997 – present</p>	<p>Joe Vesowate – Deputy Director, Managed Care Operations</p>	<p>512.491.1379</p>	<p>57,600</p>	<p>Adults w/disabilities or specific long- term illnesses covered by Medicaid, SSI, SSI-related seniors</p>	<p>\$426.8M</p>	<p>Capitated</p>	<p>Behavioral Health, Dental, Vision, Physical Medicine</p>

<p>Wisconsin UnitedHealthcare of Wisconsin, Inc. BadgerCare Plus (BCP) covers children under 19 years of age and families needing health insurance. Children are covered, regardless of household income. Many families without access to health insurance, eligible childless adults and pregnant women are also eligible. The BadgerCare Plus program offers three levels of coverage: Standard, Benchmark, and Core. The Standard Plan is a comprehensive health plan with minimal copays that range from 50 cents to \$3.00 for medical and facility services. The Benchmark plan has reduced benefits and copays that mirror commercial coverage (\$15 physician copay, ER copay \$ 60, inpatient hospital copay \$100, ambulance copay \$50). The Core plan has an application fee, reduced benefits, and minimal copays. Medicaid SSI program provides services to beneficiaries, 19 and older, of Wisconsin’s SSI program. The Medicaid SSI program uses Standard Plan benefits without any copays for SSI members.</p>	Origination: 1984 - 12.31.09 Most Recent Duration: 01.01.10 - 12.31.11	- Jonathan McBride - Managed Care Analyst/Division of HCAA	608.267.7141	102,700	Medicaid, SSI, childless adults	\$183M	Capitated	Behavioral Health, Vision, Dental, Physical Medicine, Transportation
